

Issue 189: Our weekly newsletter to keep you up to date with events at St. Giles'.

Dear Parents/Carers

This week is the start of our Headteacher and Mathematicians awards for the 2015-2016 school year!

It's always an exciting time for the children as they work towards an opportunity for a special award.

Each week one pupil per class is awarded the Headteacher or Mathematicians award and special certificates are presented during Thursday assembly.

This year, mathematicians have their work on display in the school hall, and parents are welcome to view their child's work after school on Friday.

Do turn over for photo's of our awards for this week!
