

# Create a Continent!

Follow the instructions to create your own continent.

You will need a large sheet of paper and felt-tip pens to make your own continent design.

Draw your continent shape.

1. Add 5 countries.
2. Add 8 cities and 5 capital cities.
3. Add 5 mountains.
4. Add 4 rivers.
5. Add 3 lakes.
6. Add 2 major oceans.

(You could include other features if you wish.)

7. Give your continent a name.
8. Make sure you add a key and compass rose.
9. Finally, add a title.
