

Level 5 Newspaper Shark Craft

Level 5

Adult Guidance

Create a magnificent shark like the ones that Kit and Sam saw at the Sea Park!

You Will Need

- Card or paper (light blue, dark blue, black and white)
- Newspaper
- Two googly eyes
- Glue
- Scissors
- Glitter (optional)

Instructions

1. Cut out a triangle shape from a newspaper for the shark's head.
2. Stick the newspaper head onto a piece of light blue card or paper.
3. Cut out a semi-circle for the mouth from black card or paper.
4. Cut out small triangles for the shark's teeth from the white card or paper.
5. Stick the white triangles onto the black semi-circle mouth.
6. Stick on two googly eyes.
7. Cut out some waves from the dark blue card or paper.
8. Stick the waves at the bottom of your picture.
9. For glistening waves, put some glue along the waves and sprinkle a little glitter on top.

Ask children: what **ea** words might your shark like to eat for its tea? Share these words with a partner.
